

Community Meeting

SAWMILL LAKE PROPERTY - YOUR OPINION COUNTS
Lake County Case No. LPA 14/4/3-1

We would like to meet with you to explore your suggestions and/or concerns regarding the proposed single family development located south of Sawmill Lake, east of CR 561, south of Pittsfield Dr. and north of Porter Lake.

The Comprehensive Plan Amendment is proposed to change the Future Land Use designation for this property from Transition Rural/Rural to Urban Low Density/adjusted Rural Transition boundaries; allowing for uses compatible with surrounding developments.

We would like to utilize this meeting to go over the concerns raised during the last P&Z Meeting held on April 2, 2014 and the Community Meeting held on June 03rd, 2014, and explore options to minimize or alleviate these concerns.

We invite you to join us for an informal community discussion on day of week, month the day, at the **Location** on hotel location.

Please contact Alfredo Estrano at (407)578-2763 x 112 by date to RSVP or if you have any questions.
